

## **BEST WESTERN WROXTON HOUSE HOTEL**

### **CORPORATE SOCIAL RESPONSIBILITY POLICY**

It is the policy of the Best Western Wroxton House Hotel to carry out all measures to seek and meet, exceed or develop all necessary requirements to improve environmental performance.

The hotel is undertaking a number of CSR initiatives as follows:

- All T.Vs are turned off rather than left on standby.
- Bed linen changed every 3 nights for guests staying more than one night (unless otherwise requested).
- 80% of lightbulbs in the hotel are low wattage/low energy.
- Waste cardboard is collected for recycling.
- Waste paper is used for scrap, note taking or lighting the fire.
- Light sensors are installed in the new wing corridor areas.
- We use as many local suppliers as possible including fresh local produce to the kitchen.
- Lighting and heating is turned off when not in use.
- Soap dispensers are used in public toilets.
- All windows are double glazed.
- Waste cooking oil is recycled.
- Windows and doors are shut at night during events to reduce noise impact to local residents.
- Local organizations are not charged room hire for charitable events.
- Prizes are regularly given to charity or local organizations to assist with fundraising.
- We support work experience from local schools.
- CSR issues are discussed at every HOD meeting.
- Staff are reminded to report any leaks or drips to the GM.

- Tins and plastics are recycled.
- We use recycled flipchart paper in all meeting rooms.
- All printers cartridges are recycled.
- Stamps are collected for a local charity.
- Newspapers are provided to guests on request only.
- Old furniture is donated to a local charity for re-housing the homeless.
- Assistance dogs are welcomed.
- Towels are changed only if put in the bath.
- Each radiator has an individual thermostat.
- Due to the location of the hotel, promote local transport services to guests and staff.
- Designated disabled entrance direct from the car park.
- All glass is re-cycled.
